

Mazda gives special offers for your 100,000 km service  
*Drive in, change and save*

If your Mazda has done 100,000 kms, Mazda Customer Care recommends checkup for your vehicle. Now customers can go in for a service with never-before prices for Mazda genuine parts.

A 100,000 kms service involves a detailed check up. However, Towell Auto Centre, the authorized distributors of Mazda in Oman, has now made it much easier for all the Mazda customers, who have reached the 100,000 km mark, by offering special service discounts.

In this special package Mazda car owners can have their oil filter, air filter, spark plug, timing belt tensioner, tensioner bearings, idler pulley, V belt, water pump belt and alternator belts replaced if required. These parts along with the corresponding labour are now offered at very special prices on Mazda 323, 626, XEDOS, B-series, E2000, Mazda3 and Mazda6. Those who require change of any other part or any additional service can avail attractive discount on parts and labour charges.

“At Mazda safety is our top priority and this campaign was primarily designed to ensure absolute safety for the customers and their vehicles. A car that has done 100,000 km service, needs special care and hence we are recommending the change of the above mentioned parts, so that Mazda cars can run safely for yet another 100,000 kms with no cause for worry,” says Behzad Mehta, National manager, Mazda Service.

Towell Auto Centre is the sole distributor for Mazda in Sultanate of Oman. It provides quality service to all models of Mazda and makes owning a Mazda extra pleasant with its efficient after sales service. It offers quick, efficient service with genuine parts available for all models and highly trained staff who pride in their quality of service. To know more this campaign please call 24818204.
