

Mazda CX-9 makes its debut in Ibri, Sur, Bani Bu Ali and Barkha

Mazda's new generation SUV made a remarkable entry in the Oman market. The stylish CX-9 had a series of launches reaching out to every wilayat in the sultanate; with many proud owners now in **Ibri, Sur, Bani Bu Ali and Barka**.

The unveiling of the Mazda CX-9 in **Ibri** drew a large audience at the Chamber of Commerce. “Mazda's new entry is making many heads turn. This crossover SUV is bound to top its segment not only for its features, looks, power and spaciousness but also because all of this comes at a comfortable price,” said Mohammed Sajid, Branch Manager, Ibri.

The branch showroom at **Sur** too turned into a high energy zone earlier this month, when the stunning seven-seater was launched there. “The CX-9 was popular here even before it was launched. We had auto enthusiasts and Mazda loyalists pouring into our showroom enquiring about the vehicle. We are hoping to transform this curiosity to high sales figures,” said Mayank Datta, Branch Manager, Sur.

It was a similar scenario reflected at **Bani Bu Ali**. The regional market was abuzz with excitement about the Mazda CX-9. “The Mazda CX-9 rides on a 2,875mm wheelbase, one of the longest in the segment, providing easy access to its three-row seating. In addition its interiors offer comfort and abundant space. Such features fit perfectly in the local market where people enjoy long drives and have large families,” said Saud Al Zadjali, Branch Manager, Bani Bu Ali.

With the CX-9 scoring high popularity in all the wilayats, it was but natural that when the crossover SUV arrived in **Barka** it was quite a watch. The Al Sawadi Beach Resort formed a perfect venue to host the launch. Commenting on the latest addition to the zoom-zoom range, George Mathew, Branch Manager, Barkha expressed, “The sophisticated car with ace Japanese engineering and lots of space makes it a very coveted buy. It's hard to find another car in its category that will offer such fine features and touches of luxury at such a great price”.

The Mazda CX-9 promises to bring an exhilarating dose of Zoom-Zoom to Oman. Engineered with Mazda's signature “Soul of a sports car”, CX-9 neatly blends sporty driving spirit with seven-passenger SUV practicality that appeals to all young and modern families who cherish the desire for high-intensity leisure activities, learning experiences and social interaction.
