

TOWELL AUTO CENTRE CLINCHES DEAL WITH EXPRESS RENT-A-CAR

Express Rent a Car purchases seven Mazda6 sedans

Express Rent-A-Car LLC, one of the leading car rental companies in Oman, has recently purchased seven Mazda6 sedans for their fleet, from Towell Auto Centre LLC, the national dealers of Mazda.

After test-driving sedans from most of the major car brands, Mazda6 was the preferred choice as it fulfilled all requirements of Express Rent-A-Car with its class-leading features. The major reasons why the Mazda6 was chosen over any other, was its comfort, quality driving dynamics, high-end craftsmanship and excellent road holding & cornering ability.

“When it comes to choosing a fleet car very few cars can compete with the Mazda6 on parameters like design, safety, boot-space, ride quality, running cost, maintenance cost and residual values. A lot of competitive car brands in this segment offer a lot but very few can offer all this in one package,” says Formose Pereira, Business Development Manager.

The 140 international awards that Mazda6 has won and the rave reviews it keeps getting, further reinstates why fleet buyers in Oman select the Mazda6 as one of their favorite cars.

Our relationship with Towell Auto Centre LLC built over the years reaffirmed our decision, as we have always received very good service from them. This in turn is sure to help us live up to our customers expectations as our aim has always been to provide the best service and the best products to our customers,” said Shapoor Nargolwala, Manager, Express Rent-A-Car.

Express Rent-A-Car Company provides rental and lease options to their customers in Oman with a key focus on high quality service. This fleet fills the recent lease requirement of sedans for executives and managers.

With added effort in customer service and sales, Mazda continues to do good business in Oman. Deals like these reconfirm Mazda’s top position in the automotive industry.
