

## Give your Mazda a makeover and paint the town red!

If you are planning to give your Mazda vehicle a swank makeover, Towell Auto is providing you with the right opportunity. They have introduced a new paint scheme for all Mazda cars with attractive deals you can grab. The offer is valid for a limited period and will cease by the end of this month.

During this offer every Mazda customer will get 25 percent off on labour cost for paint jobs. Towell Auto has also reserved some attractive prices on parts. Up to RO20, you can get your denting jobs done for free. If you're going for a full paint job, then they offer you free valet services. For component painting too every customer gets a free wash and vacuum.

The offer stands only for paint jobs of the same colour. So if you plan to repaint your Blue pacific Mazda 6 or your radiant ebony Mazda 3 or maybe it's your iridescent velocity red Mazda 6, now is definitively the time!

Towell Auto Centre guarantees a top-notch paint job and applying a fresh coat of paint can truly transform that faded finish into a good-as-new look. This paint campaign extends to other brands of cars, other than Mazda as well, so brush up your car and give it the fresh new coat and shine it's waiting for!
