

New Mazda service centre opens at Bani Bu Ali

Towell Auto Centre is consistently spreading its network throughout the sultanate. After the biggest Mazda showroom in the bustling hub of Athaiba, and yet another at Barka, Towell Auto has recently launched a service centre at Bani Bu Ali.

The new service centre is yet another reflection of Mazda's spirit and style. It boasts of 98 per cent parts availability at all times. The availability of genuine parts for a Mazda is on a steady rise. From 95.2 per cent availability in 2003, today the genuine parts availability of Mazda cars stand at an all time high of 98 per cent.

At the Bani Bu Ali service centre, customers can also avail the ongoing 100,000 km service campaign. In this special package Mazda car owners can have their oil filter, air filter, spark plug, timing belt tensioner, tensioner bearings, idler pulley, V belt, water pump belt and alternator belts replaced if required, at discounted rates. Special rates are also available on labour and parts.

"Towell Auto Centre has always encouraged regular service and the use of genuine parts for their cars, to ensure best performance and utmost safety. This service centre at Bani Bu Ali further reaches out to our customers in the Sharqiyah region and reinstates Towell Auto Centre's philosophy," says Behzad Mehta, National Manager, Mazda Service.

Mazda has already made its presence felt in Sohar, Ibra, Ibri, Nizwa, Barka and Sur by setting up showrooms in these regions. Now with this service centre at Bani Bu Ali they have reached out to yet another key town for after sales service.

Towell Auto Centre provides quality service to all models of Mazda and makes owning a Mazda extra pleasant with its efficient after sales service and quick response time. It offers quick, efficient service with genuine parts available for all models and highly trained staff who pride in their quality of service. To know more about Mazda in Oman call 92888005.
