

## Mazda genuine parts availability reaches 98% and is still soaring

When you invest in a world class Mazda car, Towell Auto Centre, their national dealers, makes sure that your after sales experience is of international standards too. Hence there is constant attempt to increase the availability of genuine Mazda parts. On an upward slope since its launch in the sultanate the first pick parts availability, today is as high as 98 per cent for MAZDA genuine Mazda parts all across Oman.

The first pick availability of genuine parts for Mazda cars has been growing since the first vehicle hit the roads of Oman. In 2003 the parts availability was recorded at 95.27 per cent. The figure accelerated to a higher quotient of 96.27 per cent in 2004 and still further jumped to a high of 96.94 per cent in 2005. With a steady growth through its stint in Oman, the genuine parts availability of Mazda cars stand at an all time high of 98 per cent in 2006.

Towell Auto Centre has always insisted on using genuine parts for all Mazda cars they sell. This ensures road safety as well as superior performance for the reputed Mazda brand. “To make sure that customers rarely face a problem with the availability of genuine parts, Towell Auto Centre has continuously initiated several measures with support from Mazda Corporation to ensure Prompt Parts availability,” says L R Ragendran General Manager Parts.

All genuine parts are sold at all their 12 branches across the sultanate.

Towell Auto Centre provides quality service to all models of Mazda and makes owning a Mazda extra pleasant with its efficient after sales service and quick response time. It offers quick, efficient service with genuine parts available for all models and highly trained staff who pride in their quality of service. To know more about Mazda in Oman call 92888005.
