

Winners of Mazda & Centrepont Ramadan promotion announced

Mazda's collaboration with Centrepont for a special Ramadan promotion was a huge success. Centrepont privilege car holders Vijesh Kanakya and Natasha Malik were the two lucky winners who have bagged themselves iPods in a special raffle draw.

During this promotion, Centrepont Privilege Card Holders got exclusive treatment. From September 12th to October 21st, these privileged customers could win an iPod every week. And that was not all. Along with the lucrative deal that Mazda had in store for them, they could also take home a beauty hamper for their Mazda, filled with goodies for the automobile and other car accessories and a specially packaged basket filled with chocolates.

“I've been a part of numerous draws in Oman during the many years that I have lived here, but I have never won any gift. So when I was informed about winning an iPod on buying my Snowflake White Mazda6, I was really happy and very pleasantly surprised,” says Kanakya, who works as the Chief Accountant at Golden International Establishment LLC.

Natasha Malik's True Red Mazda3 Sport proved really lucky for her as well. “I seemed to have made the most of the offer. Mazda not only gave me a great deal on my new purchase but also loaded me with lots of free gifts. Winning the iPod was the icing to the cake,” says an elated Natasha.

There are still a few more days to avail Mazda's Ramadan Lucky Strike Offer, before it ends on October 31st.
