

Mazda6 Royale: A special touch to the sophisticated sports sedan

When Mazda Corporation wanted to communicate the purest expression of their *zoom-zoom* philosophy, the Mazda6 was born. Now there is yet another jewel in Mazda's crown – the Mazda6 Royale – a special version stunner of the car that exemplifies performance, comfort and style.

The special edition Mazda 6 Royale comes with a distinct touch of class. Every Mazda6 Royale will boast of silver painted alloy wheels, chromed exterior handles, and an advanced keyless entry and start system.

The Mazda6 Royale will regale with all other features that have put Mazda6 on top of the list of mid-size sedans. Every aspect of the power train, brakes, suspension and body structure that makes this one of the fastest and best-handling sedans will be available in the Mazda6 Royale. Mazda6's original athletic design theme is also integrated in the high-quality looks and refinement of the Mazda6 Royale.

When aboard a Mazda6 Royale, discerning customers will be offered cabin quietness, comfortable operation of the gearshift and switches, and selected interior trim materials to enhance the high quality feel in the finer details.

Delivering the sportiest driving experience in the category, the Mazda6 Royale is available in MZR 2.0 litre Engine giving great power and fuel economy and an electronically controlled five-speed Activematic AT.

“For all our customers who were yearning for an edge above the rest, we believe the Mazda6 Royale is the apt answer. With its tasteful and elegant touches, customers can be assured of an even more convenient and satisfactory drive,” said Annurag Chawla, Brand Manager – Mazda.
