

Mazda Zoom-Zoom team participates in Nestle 7-A-Side cricket tournament

It's not all work for the staff at Towell Auto Centre. Their spirited participation in the Nestle 7-A-Side annual cricket tournament last week certainly showed a good combination of work and play. The Mazda Zoom-Zoom team played against The Week (Apex Publishing) at the Oman Cricket Club. In a close match, Mazda Zoom-Zoom team emerged as winners.

A very well organized event by Nestle Oman, the tournament was a real mood lifter. The spectators got to see some great fielding by Mazda. The Week lent some remarkable bowling to match up the performance. Feroz Khan, emerged as a star bowler for The Week who bowled a tight spell, hardly letting their opponents score. Formose Pereira, Business Development & Training Manager for Towell Auto Centre and Raj Nair were Mazda's answer to The Week's taut performance. Pereira also went on to win the Man of the Match title.

It was an event full of energy, healthy competition and good cheer. No matter the sweltering heat, the players put up a splendid show. Appetizers and refreshments in plenty made sure to keep the players' stamina rising. The jovial audience too made a good cheering team, combined with some excellent commentary from Gerard Casmero.

“We believe that our staff deserves enough extra curriculars and fun to keep up their good spirit alive amidst the hard work that they put in. These kind of corporate events strive to keep the spirit alive among staff and acts as a good team building exercise,” says S Kasthuriengan, General Manager, Towell Auto Centre LLC.
