

Beat the Heat this summer with Mazda's refreshing deals on *Parts and Service*

The After Sales team at Mazda is constantly attempting to bring newer and more innovative deals for their customers. With the harsh summers setting in, they are now ready with a Summer Campaign that brings some great deals for Mazda owners.

The Summer Cool campaign will be on offer from May 1st to July 31st of this year, when special discounts and rates will be available on parts and services. Since superior cooling is often the main consideration during the summer months, this offer will bring special deals on change of cooling parts like radiator hoses, compressors, condensers, evaporators, air conditioner pipes, radiator fans and other related parts. ***A discount of 50 per cent will be offered on these parts if changed during the campaign period.***

However, those looking at repair, servicing or change of other parts will also be entitled to special rates and discounts during the Summer Cool Offer. “This customer-oriented Parts & Service Campaign is in line with our continued commitment to take care of Mazda car owners with best after sales offers to keep their Mazda vehicles in excellent condition,” says L R Ragendran, General Manager, Parts, Mazda.

Mazda recently had a surge of very successful after sales campaigns, like the 100,000 km campaign, (where special rates for the 100,000 km completion service and change of parts per provided) as well as the Service Drive Campaign (with engineers from Mazda Motor Corporation Japan checking and analysis Mazda vehicles). Both these were very well taken by Mazda customers. The Summer Cool Offer comes as a continuation of this spate of special after sales campaigns.

Towell Auto Centre provides quality service to all models of Mazda and makes owning a Mazda extra pleasant with its efficient after sales service and quick response time. A network of 8 service outlets and 10 parts outlets spread across the Sultanate supports customer service. It offers quick, efficient service with genuine parts available for all models and highly trained staff who pride in their quality of service. To know more about Mazda in Oman call 92888005.
